When asked “**What was your biggest take away?**”

- “That I am a saint that struggles with sin, and **I am not stuck** in sexual sin. There is freedom **ONLY** through pursuing a relationship with Jesus Christ.”
- “**God is blessing the work of PM**, and is using it to change men’s lives, heal marriages, and change churches worldwide. I am all-in.”
- “The pain and this battle is real and that no one, not even my 6-year-old son, is immune to the destructive influence. **This is war** - time to fight like a man for my relationships with wife, my sons and my daughter.”
- “That there are tons of men out there just like me, with the same daily struggles and who **need each other for friendships and prayer** to fight the war against Satan’s deceptions.”
